KIWANIS FAMILY UPDATES

FROM THE DESK OF GOVERNOR CHARLES WILSON

Dear Montana Kiwanians:

I have enjoyed visiting your clubs and seeing the good work you all are doing, sharing my message of Service with a Smile. We had to cancel the scheduled Midwinter Meeting that was to have been held in Great Falls, but I have been getting around to visit some of the clubs that I didn't get to last fall.

On March 4, I visited the Helena club at noon and March 5 in Great Falls. Due to road conditions, I did my visit to Dillon by Facetime on March 6 and used Zoom to visit the Belgrade Club on March 7. I have been visiting some of the Glasgow Builders Club meetings this year, and attended the Montana Key Club District Convention in Billings March 23-26.

I also made the following club visits:

- ❖ Thursday April 4, 7:30 am visit to the Missoula Sentinel Club
- ❖ Saturday April 6, help serve at the Billings Golden K Pancake Day
- ❖ Thursday April 11, noon visit to the Billings Heights Club
- ❖ Wednesday April 17, 7 am visit to the Columbia Falls Club
- ❖ Wednesday April 17, noon visit to the Kalispell Club
- ❖ Thursday, April 18, noon visit to the Polson Club
- ❖ Saturday April 20, Glasgow Easter Egg Hunt
- ❖ Thursday April 25, Glasgow BUG presentations for grades 4-5
- ❖ Thursday April 25, Malta Key Club officer installation banquet
- ❖ Friday April 26, I enjoyed participating in the Harlowton Club fundraiser (singing in the chorus)
- ❖ Tuesday April 30, noon visit to the Missoula Kiwanis Club
- ❖ Thursday May 2: Glasgow Special Olympics
- ❖ Saturday May 4: attended the Anaconda Club fundraiser
- ❖ Wednesday May 8, noon visit to the Hamilton Club
- ❖ Thursday May 16, Glasgow BUG presentations for grades 6-8.

My upcoming Kiwanis plans are to attend the Special K Ranch Barbeque and open house at Columbus June 8, visit the Bozeman Club June 17, the KI convention in Orlando June 24-30, the Sidney Pie Fundraiser July 12, the Key Leader Camp July 19-21, the Glasgow District Convention August 1-4, and the Western Canada District Convention in Edmonton August 9-11. The Glasgow Pancake Day fundraiser is during Homecoming weekend September 21. I hope to see good attendance at the Key Leader Youth Leadership Camp in July, as we are having Jane Erickson, a past KI President as facilitator. I hope to see you as well in Glasgow as we host KI Vice President Art Riley. Keep up the good service that your clubs are doing, and recruit others to join you as we Serve the Children of the World while giving Service with a Smile!

MAY ELIMINATE REPORT

Yes, Virginia, the Christmas Spirit is alive and well. It loves children and is using Kiwanis to protect them!

As of the end of May 2019, Kiwanis Children's Fund has raised \$106,000,000 for the project to eliminate MNT (maternal-neo-natal tetanus) from the face of the earth. We are closing in on the \$110,000,000 goal to buy tetanus vaccine for every at risk women worldwide. To date we have protected some 295,000,000 women and their projected new babies!

The latest success is that Chad has been declared by the World Health Organization as MNT free! That leaves only 13 more countries to go! Since Kiwanis took on this project, the death rate of babies to MNT has dropped 47% - that means 75 babies a day avoid this excruciating painful death! That is Serving The Children Of The World - Kiwanis style!

The Montana District has contributed \$355,171 which has protected 986,586 women and babies! That nearly matches the total population of Montana! We deserve to give ourselves a big pat on the back. A huge thanks to the members and clubs that continue to contribute!

Don't forget to spread this message far and wide. Montanans need to know what we do so they can be proud of Montana's generous spirit – and maybe want to join Kiwanis to be part of what we do.

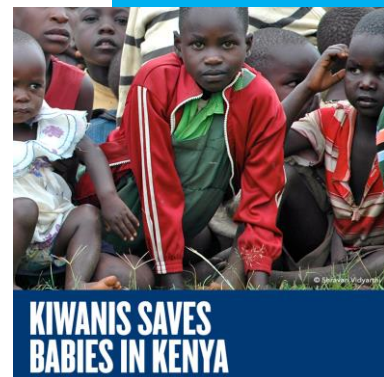

The challenge that remains is the rest of the \$647,296 that we have pledged to this project. This \$292,125 represents 162,291 women who are anxiously waiting the vaccine for their protection and the 649,167 babies they statistically will give birth to in the next decade. That is 811,457 lives we have pledged to protect!

Can we? Of course. We have already raised more than this amount – we just have to do it again! We know how to raise funds – we just need to commit to it. We are closing in on this world changing goal – let's just get it done. By the way, don't forget our SLP clubs – they have raised \$63,858 of our total so far. What a legacy they will carry for the rest of their lives – to rid the world of this scourge!

As always, Montana Kiwanians leave me in complete awe over what we do day-in and day-out for our communities and the children of the world! Thank you for the enrichment you give my life.

SENTINEL KIWANIS ANNOUNCES ANNUAL LYLE HEATH VOLUNTEER SERVICE AWARDS

The Sentinel Kiwanis Club of Missoula annually recognizes two individuals: one adult and one youth (K-12) who have demonstrated an unselfish donation of time, energy, and talent to one or more non-profit organizations in the Missoula area by awarding them the Lyle Heath Volunteer Service Award. The award is named after the late Lyle R. Heath, who served on many community organizations over 26 years and was a founding member of the Sentinel Kiwanis Club.

The youth winner of the Lyle Heath Service Award is McKenna Round. McKenna is the president of the junior class at Loyola Sacred Heart School, a member of Key Club, and a weekly volunteer at Mountain Home Montana, a program that services pregnant and parenting teens. She's been working on the redesign of the community center there and works in their child care facility. At Loyola, she has organized food drives and recycling. McKenna is part of the green club which organizes Loyola recycling. She's a volunteer for the micro-Strikers soccer club, at the Ranch Club Winter Break Festival, and for Special Olympics.

The adult winner of the Lyle Heath Service Award is Julie Devlin who has volunteered at the Missoula Food Bank and Community Center for ten years. She stocks shelves, collects food for the Kid's Table, boxes groceries and prepares emergency meals. She's also a volunteer at the Senior Center facilitating bingo, working in the senior store and fundraising. She serves on the Montana Elders for a Livable Tomorrow committee working on firewise projects and climate change. Julie is a tutor at Paxon and Chief Charlo schools. And she too is a volunteer at Mountain Home. She's put her master gardening skills to work at the PEAS farm. And somehow, Julie manages to find time to volunteer at Zero Waste Missoula and the Missoula Symphony.

Mayor Engen, Commissioner Slotnick and Commissioner Strohmaier and Deb Frandsen from Senator Tester's office were on hand to help with the Lyle Heath awards on April 11, 2019. Both McKenna and Julie received a recognition plaque and a \$250 cash donation for the organization of their choice. A permanent plaque of all winners is proudly displayed at the Historical Museum at Fort Missoula.

DIVISION 6 TOMBSTONE KIWANIS

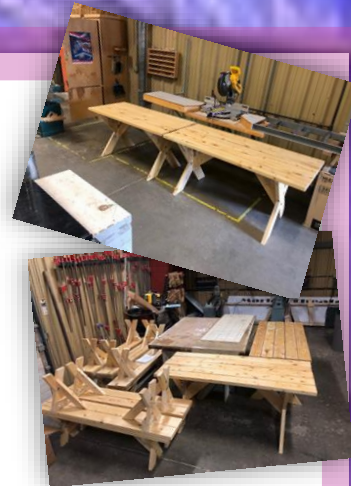

HELENA HIGH SCHOOL WOOD SHOP STUDENTS BUILD FOR THE BENEFIT OF CAMPERS @ YMCA'S CAMP CHILD!

Helena High School Wood Shop students did it again – but this time it was picnic tables/bench sets that they built for Camp Child Campers! Last year it was outdoor benches – 17 in all. All of these were made of Alaskan Yellow Cedar – a wood that's a bit more pricey than treated lumber, but a whole lot more resilient to the elements of rain-sun-snow, and even more "environmentally-friendly" at that – to say nothing of its being more human-friendly.

The **TOMBSTONE INTERNET KIWANIS CLUB** fostered a partnership with both the High School and the Y the year before – specifically with Camp Child itself. Camp Child, the only YMCA camp in Montana, is administered and run by the Helena YMCA. It attracts campers from Y's across the state. This partnership was a "natural": Kiwanis is all about serving and mentoring children; the Y's mission is all about ministry to children; high schools are populated by children. (Notice the common theme?) Mr. Greg Cejka, the Wood Shop teacher, was instrumental: he is as interested in mentoring his students to become contributing, responsible members of their community, as he is in teaching them the skills of woodworking. The kids are proud of what they achieve, too – and were really pleased seeing themselves on the 6:00 evening news on KTVH!

(<https://ktvh.com/news/2019/05/30/helena-high-students-build-picnic-tables-for-camp-child/>)

Tombstone, with the vision and leadership of former District Governor, Ed Mangis, has engaged the new Y Director, David Oclander, in furthering the Club's partnership with the development of a five year plan – for starters. Ed also hopes that Helena High's Key Club may soon become an integral part of this – and other such partnerships.

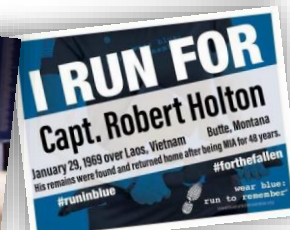

For the 4th year, the **TOMBSTONE KIWANIS CLUB** sponsored, judged, set-up, and took-down the Carbon Valley Classical Conversations Elementary School Science Fair.

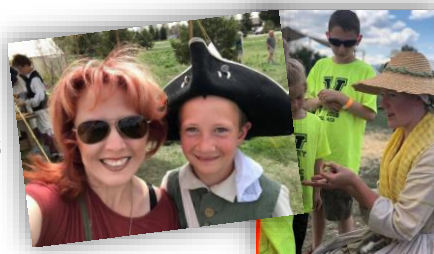

Getting crafty, **TOMBSTONE KIWANIS CLUB** assisted students in making coffee filter flowers that were sold for Mothers Day to raise money for a school resource security officer.

Some of our **TOMBSTONE KIWANIS** have amazing face painting skills and put them to use at various Easter Egg Hunts.

For the 7th year **TOMBSTONE KIWANIS** has organized a Run to Remember Campaign on Veteran's Day. Each person runs for someone who did not make it home in the color blue.

TOMBSTONE KIWANIS continues to assist Ben Keller as the youngest person to qualify for Worlds in Skeet Shooting as he makes his first run for the Olympic Team.

TOMBSTONE KIWANIS helped run ticket sales, line up kids for performances, and helped some of K-Kids at Living History Days.

In Amman, Jordan, members supported a Boy Scout Troup from the U. S. Embassy in a project to supply local school libraries with books in English.

DIVISION 6 LEWISTOWN KIWANIS

LEWISTOWN KIWANIS club members performed the Highway cleanup including the Kiwanis Rest Area.

At the Lewistown Non-Profit Fair, **LEWISTOWN KIWANIS** held a table with a chance to win a \$50 gift basket.

LEWISTOWN KIWANIS Students' of the month were Eric Brummond, Jaden Martin, Mykalea Craig, Taylor Rindal, Izzy Smith, and Rishi Rachakonda! Way to have a strong finish to the school year!

LEWISTOWN KIWANIS CLUB continues their generous support of the Special K Ranch.

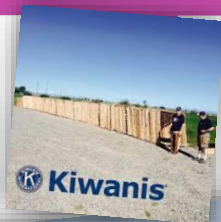

Who puts those beautiful flags out for Veteran's Day? Why the volunteers of the **LEWISTOWN KIWANIS CLUB**.

LEWISTOWN KIWANIS CLUB held a meeting about the Boys and Girls Club and the Farmer in a Dell organization and supported these organizations.

DIVISION 6 BOZEMAN KIWANIS

Snow and rain did not stop the **BOZEMAN KIWANIS CLUB** from providing children the gift of play! Built by club members and given to families free of charge (including the sand) the sandbox project is a labor of love.

**VOLUNTEER.
YOUR COMMUNITY NEEDS YOU.**

Montana's Got Talent was the 69th annual **HARLOWTON KIWANIS** Show. What a success!

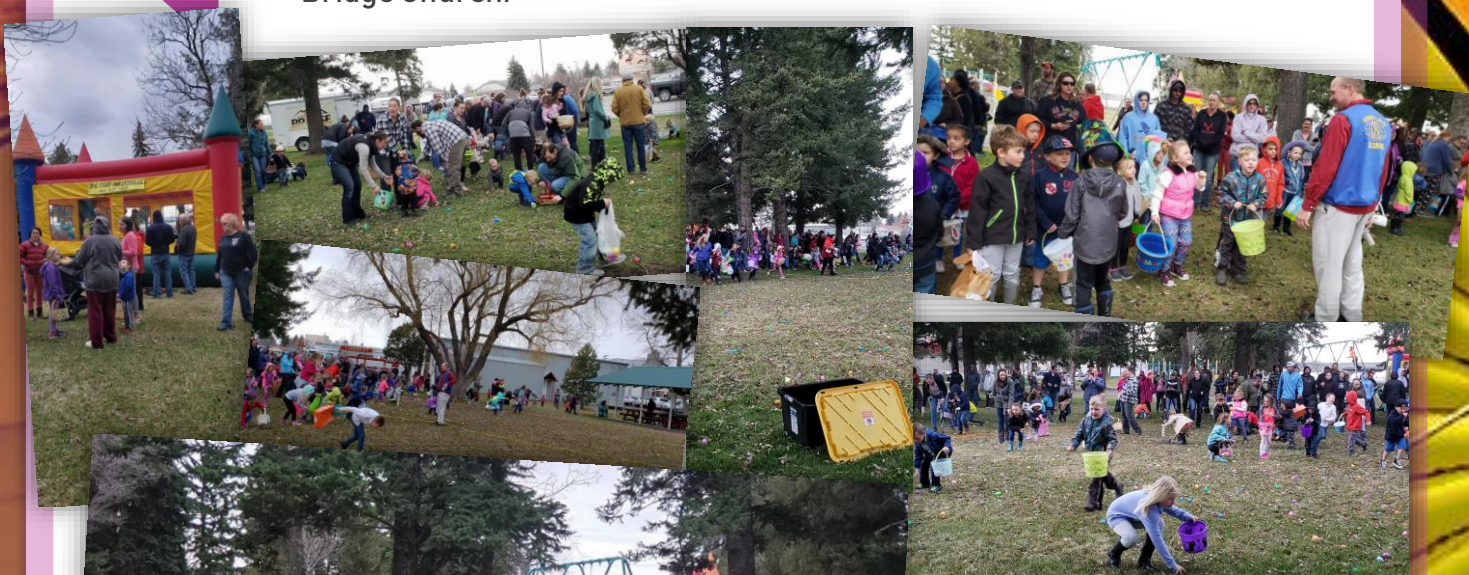

Spring cleaning was the work of the day for **HARLOWTON KIWANIS**. Decked in their bright colors, they did the heavy lifting.

DIVISION 6 BELGRADE KIWANIS

Ready, Set, Go! **BELGRADE KIWANIS** held an Easter Egg Hunt with the help of Bridge Church.

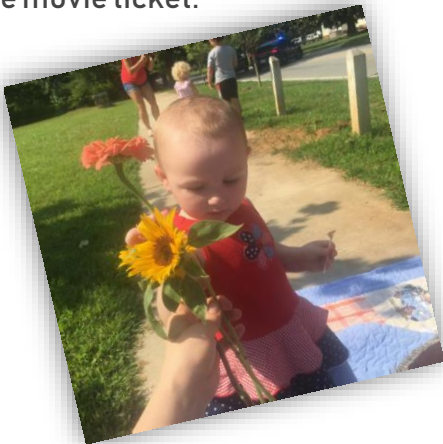

It went from cool and windy to sunny and gorgeous. The **BELGRADE KIWANIS** Golf Tournament was another success at the Headwaters Golf Course. A very special thanks to their Sponsors for making it possible
